

Russetttings

Residential Care Home Newsletter

JUNE AT RUSSETTINGS

Russetttings, was very enthusiastic about our National care Week, with something for everyone! We started with a vintage car in the morning, with a beautiful E Type Jaguar visiting us, with the owner being a specialist mechanic. Especially our male residents enjoyed their 'bacon butties' whilst chatting about all things mechanical.

THEMED LUNCH

We had a fabulous time at the Russetttings Ho Down! Cowboy pie lunch, followed by Birdie sings country and western. Yeah Ha!

ST MARY'S BALCOMBE

St Mary's Balcombe gave a wonderful service and memorable hymns with our residents joining in; followed by a delicious afternoon tea.

ENTERTAINMENT

Our favourite nursery; Buttercup Barn joined us for international teddy bear day, with a teddy bears picnic with our residents and bears. A lovely time in the sunshine.

Marco the Magician entertained us with his singing and amazing magic! Residents and their families joined in the act and were truly astonished! How does he do it!

NATIONAL CARE WEEK

Our National Care Week culminated in the Russettings Summer BBQ! We were lucky enough to have Finley and Albi the Alpacas, to meet and greet our guests upon their arrival. Stephanie, the lady mayoress of Haywards Heath was introduced by Sean Hurden our director, to the party. Stephanie opened the event, and our resident chefs prepared a delicious BBQ and buffet, to enjoy in the sunshine. Karl, our singer serenaded residents and guests as they enjoyed their food, with well-known songs!

PET PALS

Russettings welcomed Pet pals with their gorgeous kittens and guinea pigs, for the residents to pet., bringing fond memories of their own animals in their lifetime.

CELEBRATIONS

The 80th celebration of DD started with arts and crafts of the period, followed by special TV moments and a reminiscing circle of the time.

A special Father's Day lunch took place, with the Father's Day memory tree adorned with loving thoughts written by residents.
