AUGUST TRIPS AT RUSSETTINGS

Russettings have been enjoying the last glimpses of Summer! At last we managed to have a minibus trip to Seaford beach. The weather improved and we had the beach virtually to ourselves. It was lovely to meet other fellow visitors and to be introduced to their pet dogs. Our residents always are attracted to our fluffy friends.

A perfect moment to try the new artesian ice creams at the Seaford cafe. In a flash, the ice creams vanished!

We then travelled along the shoreline to Paradise Park. A well known destination where families enjoy a dinosaur park and mini railway for children . Plenty of shopping opportunities with plants and home wear. A lite lunch in the sunshine, before a picturesque ride back to Russettings.

TRIPS (CONTINUED...)

Another trip out, saw us walk into town and visit the Balcombe Village hall for Summer punches and beers. Chatting to the locals that some of our residents new.

SPANISH THEMED DAY

At Russettings we have a Spanish chef, which gave us a wonderful opportunity to create a Spanish themed day. We were treated to a stunning buffet of authentic tapas and various paella. Followed by afternoon delights of churros dipped in melted chocolate. Yummy! Whilst listening to a Spanish medley of songs by Rosie. A great day!

ARTS & CRAFTS

Our creative residents have been making cheeky cat clay arts, for the garden with many characterful felines decorating the patio.

BUTTERCUP BARN NURSERY

Buttercup Barn Nursery has invited Russettings to the nursery for tea and listening to the children singing and showing us their arts and crafts. The children recognise the residents and there is a great rapport between them. It was a lovely afternoon!

GARDENING

We are still working in the garden and tending the plants and vegetables in the garden and picking the last of the crop.

FORTHCOMING ATTRACTIONS

Wednesday - 11th Pet Pals visit at 2pm.

TBA - Pat Dog visit.

Monday - 16th Mini bus trip.
