INTERNATIONAL BEER DAY

Russetttings looked forward to a cool beer for International Beer Day, after what has been a scorching summer! Residents thoroughly enjoyed the refreshing drinks, sharing laughs and stories together as they celebrated in true summer style.

MARCO THE MAGICIAN

Marco the Magician performed a Punch and Judy show with vintage puppets taking centre stage. Star acts included Elvis and King Charles, who posed for photos with residents. The afternoon was rounded off with magic tricks and a singalong – a great fun event!

MOVING SOUNDS

Ed and his Moving Sounds workshop was an absolute success. Residents joined in with percussion and guitar, sparking memories for those who had played instruments in the past.

BIRTHDAY CELEBRATION

Our Scandinavian resident's 90th birthday was marked with a special menu created by our chefs, along with a beautiful cake enjoyed with family and friends.

MUSIC & SUNSHINE

On National Beer Day we took the chance to soak up the last rays of summer sunshine. Theo entertained us with calypso on the steel drums, getting residents, families, and friends up and dancing!

CREATIVE ACTIVITIES

From sausage roll making to blueberry muffins – you name it, we'll cook it! Residents also enjoyed sitting in the garden making beautiful floral displays to brighten up the dining room.

FORTHCOMING ATTRACTIONS

We look forward to seeing you next month for a fun packed September!
