Residential Care Home Newsletter

## JULY AT RUSSETTINGS

The first of July saw the start of the Wimbledon Lawn Tennis Championships, and an excuse for strawberries and cream all around—whilst watching some brilliant tennis! The 11th of July saw the highlight of the month: the Russettings yearly Summer BBQ! We were blessed with amazing weather, creating a perfect day. Our favourite duo of Alpacas arrived to meet and greet our guests and residents, with lots of love and photo opportunities for everyone.

## BUTTERCUP BARN VISIT

We couldn't miss the opportunity to invite 'our little wonders' from the Buttercup Barn Nursery to join in the fun! The little ones enjoyed their own picnic area, playing with the Alpacas and meeting the residents.

## SUMMER VIBES

Theo gave a steel drum extravaganza of summer songs that set the scene, while residents and families enjoyed a stunning display and service of BBQ, salads, and treats by our resident chefs. A wonderful day that ended all too soon!

## REGGAE DAY

International Reggae day arrived and Russettings celebrated with a performance of well known songs that a surprising amount of residents and families were singing and dancing, without stopping!

## BIRTHDAYS

Where would we be without Hugo the PAT dog! His warm, calming presence was much appreciated during a busy and exciting month, with lots of love and cuddles all around. Russettings also enjoyed spa days, exercise, gardening, flower arranging, cooking experiences, sunny outings with family and friends and, of course, birthday celebrations!

## FORTHCOMING ATTRACTIONS

We look forward to seeing you next month for a fun packed August!
