

Russettings

Residential Care Home Newsletter

WINGS OF FREEDOM

A special treat for Russettings with Wings of Freedom visiting us. Colin introduced us to three of his special birds — a Kyte, Falcon and Barn Owl. Gorgeous! All very friendly showing their particular personalities. Everyone was able to meet the birds with visits to residents in their rooms. Colin started the national charity many years ago and has a network of associates that rescue and rehabilitate birds across the country.

SPECIAL LUNCH

Our resident chefs created a Special 'Indian Summer lunch' with residents families invited to join their loved ones. Really delicious! We were then enjoyed 'Rosie sings Summer' afternoon of well known summer medley's and a sing along session to close a great day of events!

SIGN LANGUAGE

The International sign language, day saw the little children of Buttercup Barn Nursery visit us and teach our residents some basic sign language skills. Amazing! This was followed by a tea of small shaped biscuits for the little ones.

GARDENING

It's that time of year when the seasons change and we are looking for a splash of colour for the patio as Autumn begins! Residents use their gardening skills to create hanging baskets.

MUSIC WORKSHOP

Neal Frosts music workshop arrives to end a hectic month. Residents play various instruments and have their very own Karaoke session, choosing favourite songs to sing along to. Neal is one half of our Christmas party band 'More Tea Vicar', which we are looking forward to seeing and hearing at our Christmas Party on the 6th December!

À REVOIR, LESLEY!

As Lesley retires from her role as Activities Coordinator, she would like to thank all the residents, relatives and colleagues who have made her years here so enjoyable. She has loved being part of so many special moments and memories, and looks back on her time with great fondness. We wish Lesley every happiness in her retirement!

FORTHCOMING ATTRACTIONS
