Residential Care Home Newsletter

THIS DECEMBER

The home was looking especially lovely, adorned with festive Christmas decorations and beautifully prepared for a busy month full of seasonal fun and celebrations. We kicked things off with a wonderful sing-along, as Tania got everyone in the Christmas spirit, leading us through some much-loved festive songs and setting the tone for the weeks ahead.

ENTERTAINMENT

More Tea Vicar came along once again to entertain us at our annual Christmas party. We were delighted to welcome lots of family and friends who popped in to enjoy the music, along with the wonderful buffet prepared by Miguel and his team, making it a truly special.

MUSIC

The music flowed all month, with Rosie, Lilly, and Theo returning to play for us. We also met Jamie and Lelia for the first time, and after such a great response, we're looking forward to seeing them again in the new year. They performed a mix of Christmas hymns, old classics, and pop songs -some we didn't think we knew, until the words came flowing back.

FURRY VISITORS

We were visited by our Amazing Animals World for the first time and were won over by a rat who loved to be tickled on the top of his head. Our residents were also impressed by the colours of a Guinea Pig hair. We all wanted to keep the Chinchilla who was so soft to touch.

GOODBYE HUGO

Unfortunately, we had to say goodbye to Nichola and Hugo, as Nichola made the decision to retire Hugo so he can enjoy a well-deserved rest and put his paws up.

We hope they will pop in from time to time to see us when they're off duty, as they will both be very much missed.

CHRISTMAS

The Christmas cake was iced, the table decorations were made for Christmas Day. We enjoyed mince pies, mulled wine and a wonderful Christmas Lunch!

FAMILY MEETING

Thank you to those who came along to your first residents and relatives meeting. It's a great way of asking questions and getting to know each other.

THANK YOU

Thank you to all of our residents and family's for coming along and enjoying the year with us. We look forward to more next year!
