## THIS NOVEMBER

We've seen a change in the weather as the days grow shorter, but it's been a busy and lively month here. We've welcomed some new singers who have been entertaining everyone and lifting spirits.

To brighten up the days, the lovely Lily Armstrong joined us to perform songs from the musicals, and we're delighted to say she'll be back in December for her special Christmas show.

## ARMISTICE DAY

We paid our respects to the fallen on Armistice Day by observing a minute's silence. Later in the afternoon, Tania joined us to sing much-loved wartime songs and share her memories of performing alongside Dame Vera Lynn, making the day meaningful for everyone.

## CHRISTMAS CAKE

The Christmas cake has been prepared, with everyone taking a turn to stir the mixture and make a wish. Some even went as far as licking the spoon and bowl, and we all agree, that's the best part!

## NEW SINGER

Susanna the Shepherdess, another wonderful new singer, came along to entertain us, and she'll be singing for us again. In the spring, she'll also be visiting with her sheep, and hopefully some lambs too, which we're very much looking forward to.

## ENTERTAINMENT

As we were all getting over the dreaded colds that have been going around, Dave visited with his saxophone and treated us to some mellow jazz music. It lifted everyone's spirits and even inspired Richard to get musical himself with his guitar.

## BIRTHDAYS

Cynthia also celebrated her birthday with her family, making it a very special and happy occasion for her.

## ANIMAL VISITS

We also welcomed Colin, who came along with his amazing rescue bird to talk to us and show off their beauty, which everyone thoroughly enjoyed.

Our beloved Hugo the PAT dog had been feeling under the weather but is back visiting us, much to everyone's delight.

## FORTHCOMING ATTRACTIONS
