VILLAGE STROLLS

The weather has been mild and dry for most of the month, so we've enjoyed plenty of walks around the village.

The autumn colours have been stunning, and we don't think we've ever seen so many acorns falling from the trees!

We also got creative with some foliage gathered from the garden and made a lovely autumn wreath.

HARVEST FESTIVAL SERVICE

We welcomed Father David and the church choir for a lovely Harvest Festival service, followed by afternoon tea complete with Miguel's delicious cupcakes!

MARCO THE MAGICIAN

Marco the Magician visited Russettings to entertain us with his amazing tricks and balloon creations. The residents absolutely loved it with lots of laughter, surprises, and colourful balloons all around!

HUGO THE PAT DOG

Hugo the PAT dog, along with Nichola, came in to see us, and the residents were delighted. Hugo was thoroughly spoiled with biscuits, cuddles, and lots of attention!

GARDENING

Our bulbs are now planted and ready to pop up in the spring, and the autumn flowers on top are already looking lovely outside the lounge doors for everyone to enjoy. A big thank you to Paul's wife, Margaret, for kindly donating the bulbs we used.

COUNTRY MUSIC

We rounded off another month with Tania treating us to a lively hoedown of country music, getting everyone up dancing and singing along. We even attempted a bit of line dancing with Pat's expert tuition which was great fun all around!

LITTLE VISITORS

We then enjoyed a visit from the children of Buttercup Barn Nursery, who joined us for spooky games and treats. We also took the opportunity to say thank you for the wonderful Harvest box they kindly delivered — it was very much appreciated!
