## Residential Care Home Newsletter

### OUR SHADY GARDEN

May brought special celebrations, including Cinco de Mayo and Eid ul Adha, while also delivering some unpredictable weather. We were fortunate to enjoy the warmer days, with many of our residents spending time outdoors in the cool, breezy shade. Some relaxed and socialised with friends, others played quizzes, while a few simply enjoyed unwinding beneath the pergola.

While many residents enjoyed relaxing in the garden and soaking up the fresh air, others took an active role in caring for our outdoor spaces. From watering plants to helping tend to flower beds, residents took great pride in keeping the garden looking its best!

## ENTERTAINMENT

In May Rosie, Tania and Sussane delighted and cheered us with the great variety of their songs. They engaged our residents by inviting them to sing along and even to lead the singing or to dance too. The different musical noise makers made the entertainment a joyful group activity every one loved.

## EVENTS & VISITS

We enjoyed celebrating Cinco de Mayo with a day of themed activities, music, and plenty of laughter. Residents embraced the spirit and enjoyed learning more about the occasion!

We were also delighted to welcome some very special animal visitors to the home. Residents had the opportunity to meet and hold a variety of animals, including friendly lizards!

## BIRTHDAY CELEBRATIONS

In true Russettings fashion, we celebrated several resident birthdays throughout the month, making each one a special occasion. Friends, family, residents and staff came together to share cake and good wishes as we marked these important milestones!
